SUPERVISORS HOLD REGULAR MEETING

The Board of Supervisors met in
regular session Monday, April 15th,
there being present Wm. H. Brown,
Jas. T. Casey and Jos. M. Francis.

On motion of Francis, seconded
by Casey, Brown was elected to fill the
chair of the presiding officer.

W. A. Day, 84 years of age, re-
siding at Alpine, applied to the
board for aid and was granted \$8
per month on motion of Francis,
seconded by Casey.

Mrs. Florence Armstrong, a resi-
dent of Burlingame also applied for
assistance. Brown stated that Mrs.
Armstrong had two small children
dependent upon her for support and
was worthy of the board's consid-
eration. On motion of Casey, sec-
onded by Francis, she was granted
\$8 per month.

Public Administrator Plymire re-
ported a report of the disposition of
the effects of certain deceased per-
sons.

A communication was received
from the Studebaker Company of San
Francisco to the effect that the
signs that company proposed to
erect on the roads of the county
had been inspected by Mr. McEvoy
and approved by him. Action on the
matter of permitting the company to
erect the signs was postponed on
account of the absence of Mr. Mc-
Evoy.

A communication was read signed
by F. A. Hill of Santa Cruz asking
that a committee be appointed to
confer with a similar committee
from San Francisco and Santa
Cruz counties to discuss the matter
of continuing the proposed boule-
vard down the coast to Santa Cruz.
The clerk was instructed to an-
swer the communication and file
same.

A communication was received
from the San Mateo County Devel-
opment Association notifying the
board that the term of office of
its representatives on the Board of
Delegates was about to expire and
asking that a representative be ap-
pointed.

On motion of Francis, seconded
by Casey, Wm. H. Brown was ap-
pointed as the board's representative to
succeed himself.

Auditor Underhill appeared before
the board and asked that his of-
fice be provided with a rack for
the accommodation of the assess-
ment rolls. His request was grant-
ed on motion of Francis, seconded
by Casey.

The application of H. H. McClos-
key on behalf of the Ocean Shore
Investment Company for permission
to construct concrete and wooden
curbing throughout the townsite of
Salada in the First township, which
matter had been referred to Super-
visor Casey at the last meeting,
was laid over on account of Mr.
Casey's inability to arrange a
meeting with Mr. McCloskey.

District Attorney Swart presented
the commitment from the Superior
Court under which Jerome Williams
is sentenced to serve an imprison-
ment of six months in the county
jail for failure to support his chil-
dren, and directing that he be given
employment by the board at \$1.50
per day, which amount shall be paid
to his family. The district attorney
stated that employment must be
provided for Williams and he sug-
gested that he be put to work in
the courthouse grounds.

On motion of Casey, seconded
by Francis, it was ordered that Wil-
liams be given employment by
the gardener, that he be given an
extra meal each day that he works
and that the gardener convey him
to and from the county jail each
day.

The district attorney presented
Ordinance No. 254, preventing dogs
from running at large unless muzz-
led.

Dr. Beattie, the health of-
ficer, spoke strongly in favor of
the ordinance, saying that immedi-
ate action was necessary as rabies
had been found in a number of cases
among the dogs of the county. He
thought that probably after a
few months the disease would dis-
appear.

Casey also addressed the board on
the subject and mentioned several
cases of human beings and animals
being bitten recently by dogs sup-
posed to be mad. He believed that
dogs found running at large un-
muzzled should be summarily killed.

The board reconvened at 1:30, all
of the members answering the roll-
call except McEvoy.

The ordinance relating to dogs
presented by the district attor-
ney at the forenoon session was
taken up for further discussion. It
was opposed by Supervisors Francis
and Blackburn of the coastside
as being a hardship to the resi-
dents of that part of the county
who needed dogs as a protection
from coyotes. Both believed that
if such a law was enforced in the
cities of the county the danger of
rabies would be removed. The
disease is not found in the rural
parts of the county.

Casey moved that the ordinance
be adopted but no action was taken
and the matter was laid over
until the next meeting.

Francis presented plans for a
concrete bridge across the "French-
man's creek," one mile north of
Palmoon Bay. The plans were
adopted on his motion, seconded by
Blackburn, and the clerk was direct-
ed to publish a notice calling for
bids for building the bridge.

"FOR THE COUNTY'S GOOD."
DESERVES ANOTHER TERM

President Taft should be re-nominated by his party, not simply because it has been generally conceded by Republicans from the time he entered the office that the same treatment should be accorded him with respect to a second term that has been usually accorded to Republican presidents who have done well, but because he stands for stability. While he has not been a political president in the sense that he has played politics to the satisfaction of all elements of his party, he has in fact been a broad gauge president, conservative in all matters affecting the dignity of the office and the obligations assumed by him to sustain and uphold the constitution and laws of the country. Because his administration has been one of accomplishment rather than of blatant promise.

During President Taft's administration the record has been broken for prosecutions brought and won under the Sherman anti-trust law. Without fear or favor it has brought to the bar of justice corporations and persons engaged in illegal combinations in restraint of trade. In the two years and eleven months of his administration President Taft has caused to be brought four more civil suits and five more criminal prosecutions than were brought under Mr. Roosevelt in the seven and one-half years of his administration.

MANY WILL ENJOY THE FAMOUS L.O.O.F. PICNIC
All indications point to an enjoyable event on the 26th. Instantly the date of the Odd Fellows' picnic at Niles canyon. A train of eight cars has been chartered and it is possible, judging by the demand for tickets that more cars will have to be engaged. The ride across Dumbarton bridge and through the country across the bay are attractions of the excursion that appeal to the public. Permebrook park, where the picnic will be held, is one of the prettiest spots in the mountain range on the east side of the bay and the train will go directly to the park. The round trip will be \$1 for adults and 50 cents for children. There will be games, dancing and literary exercises. Tickets are on sale by members of the Odd Fellows' lodge and the Rebekahs. The schools of this city and Belmont will give their children a holiday on the day of the picnic.

William G. Kelting has applied in the Superior Court for letters of guardianship upon the persons of Florence and George F. Kelting, minors and children of the petitioner.

Bids will be received for the purchase and removal of the buildings situated on the corner of Main Street and Broadway, Redwood City, commonly known as the Hader Corner. For particulars see C. G. LANDSCHEIT, Secretary Redwood City Hotel Company, 208 Main Street, Redwood City, Cal.

For Sale—A Peerless Gasoline Engine to horse power, with 300 feet of pipe. Price \$250. For further particulars apply to Mrs. T. J. Kelly, in first class order. 4-4-12

For Sale—A first-class family cow, gives good rich milk and plenty of it. Only those wanting first-class milk need apply. J. Jacobson, Box 15, Belmont, Cal. 4-4-12

Strayed—from Kentfield Ranch on Woodside Road a small cow. Finder will notify W. K. Fletcher, Alameda de las Pulgas near Woodside Road, telephone Redwood 7067A. 4-4-12

For Sale—A buggy horse 800 pounds weight, fat and fine. Price \$100. Apply to James Curran, Redwood City. 4-4-12

TRUSTEE'S SALE

Notice of Sale of Real Estate

Hilda Hammond (formerly Hilda Raab) and Lewis A. Hammond (her husband), having made default in the payment of certain sums secured by that certain deed of trust made by said Hilda Hammond (formerly Hilda Raab) and Lewis A. Hammond (her husband) dated May 17th, 1911, and recorded May 18th, 1911, in Volume 177 of Deeds, page 48, in the office of the County Recorder of the County of San Mateo, State of California, and in the office of the County Recorder of the County of San Francisco (a corporation) is the party of the first part, and Mercantile Trust Company of San Francisco (a corporation) is the party of the second part, and the California Home Building Loan Company (a corporation) is the party of the third part, and by reason of said default, duly declared by resolution passed on the 22nd day of March, 1912, by the Board of Directors of said California Home Building Loan Company, a corporation, and holder of the note to secure the payment of which the aforesaid deed of trust was executed, all sums secured by said deed of trust due and payable, and having demanded of the undersigned the Mercantile Trust Company of San Francisco (a corporation), trustee, that it proceed to sell the real estate covered by said deed of trust, in accordance with the terms of said deed of trust, in order to accomplish the objects of said trust:

Now, therefore, the undersigned, Mercantile Trust Company of San Francisco (a corporation) trustee, under and by virtue of the authority vested in it by the terms of said deed of trust, and in accordance with the said demand of the said California Home Building Loan Company (a corporation) hereby gives notice that on Wednesday, the 25th day of May, A. D. 1912, at 12 o'clock noon of said day, at the salesrooms of Shainwald, Buckner & Co., Real Estate Agents, No. 27 Montgomery Street, in the City and County of San Francisco, State of California, it will sell the following described real estate, at public auction, to the highest bidder, for cash, in United States gold coin—ten per cent. payable on the fall of the hammer, and the balance within ten days thereafter.

Said property is described as follows, to-wit:

All that certain piece or parcel of land situated in the County of San Mateo, State of California, and described as follows:

The Westerly one-half (1/2) of Lot Numbered Three (3) in Block Numbered One Hundred and One (101), as shown on the Map of South San Francisco, File No. 1, filed in the office of the Recorder of the said County of San Mateo, in Redwood City, Cal., and recorded March 1, 1912, in Map Book 2, page 22, said Recorder's office, together with the appurtenances.

Dated San Francisco, April 18th, 1912.

MERCANTILE TRUST COMPANY OF SAN FRANCISCO, Trustee.

By E. O'Keefe, Secretary.

J. S. Hutchins, Attorney-at-Law, 1111 California Street, San Francisco, Cal. 4-20-12

ORDINANCE No. 116.

Granting to the Southern Pacific Railroad Company, a railroad corporation, the right to change the location of its telegraph poles now located upon its right of way parallel to Stafford Street, in the Town of Redwood City, and extending from the intersection of said Stafford Street, extending from Rogers Street (formerly Fourteenth Street) to the northwesterly limits of the Town of Redwood City, and to re-erect and maintain its said telegraph poles, together with all necessary and convenient wires and appurtenances along said curb line on said westerly side of said Stafford Street, extending from Rogers Street to the northwesterly limits of the Town of Redwood City.

The Board of Trustees of the Town of Redwood City do hereby grant to the Southern Pacific Railroad Company, a railroad corporation, the right to change the location of its telegraph poles now located upon its right of way parallel to Stafford Street, in the Town of Redwood City, to the curb line on the westerly side of said Stafford Street, extending from Rogers Street to the northwesterly limits of the Town of Redwood City, and to re-erect and maintain its said telegraph poles, together with all necessary and convenient wires and appurtenances along said curb line on said westerly side of said Stafford Street, extending from Rogers Street to the northwesterly limits of the Town of Redwood City.

Section 2. This ordinance shall take effect immediately.

Section 3. This ordinance shall be published in the Times-Gazette, a weekly newspaper published, printed and circulated in said Town of Redwood City.

Introduced April 12, 1912.

Passed and adopted as an ordinance of the Town of Redwood City by the Board of Trustees of said Town at a regular adjourned meeting of said Board held on the 8th day of April, 1912, by the following vote:

Ayes and in favor of the passage of said ordinance, Trustees—Becker, Brown, Hyndman, Merrill, Noes, and the passage of said Ordinance—Trustees—None.

Present of the Board of Trustees of the Town of Redwood City.

GEO. A. MERRILL, President of the Board of Trustees of the Town of Redwood City.

G. C. PLUMP, Clerk of the Town of Redwood City.

I hereby approve the foregoing Ordinance this 8th day of April, 1912.

GEO. A. MERRILL, President of the Board of Trustees of the Town of Redwood City.

ORDINANCE No. 115.

Granting to the Southern Pacific Railroad Company, a railroad corporation, the right to change the location of its telegraph poles now located on Pennsylvania Avenue, in the Town of Redwood City, to the inside of the curb line on the northwesterly side of said Pennsylvania Avenue, said curb line being set six feet from the property line, and to re-erect and maintain its said telegraph poles, together with all necessary and convenient wires and appurtenances inside said curb line on the northwesterly side of said Pennsylvania Avenue.

The Board of Trustees of the Town of Redwood City do hereby grant to the Southern Pacific Railroad Company, a railroad corporation, the right to change the location of its telegraph poles now located on Pennsylvania Avenue, in the Town of Redwood City, to the inside of the curb line on the northwesterly side of said Pennsylvania Avenue, said curb line being set six feet from the property line, and to re-erect and maintain its said telegraph poles, together with all necessary and convenient wires and appurtenances inside said curb line on the northwesterly side of said Pennsylvania Avenue.

Section 2. This ordinance shall take effect immediately.

Section 3. This ordinance shall be published in the Times-Gazette, a weekly newspaper published, printed and circulated in said Town of Redwood City.

Introduced April 12, 1912.

Passed and adopted as an ordinance of the Town of Redwood City by the Board of Trustees of said Town at a regular adjourned meeting of said Board held on the 8th day of April, 1912, by the following vote:

Ayes and in favor of the passage of said ordinance, Trustees—Becker, Brown, Hyndman, Merrill, Noes, and the passage of said Ordinance—Trustees—None.

Present of the Board of Trustees of the Town of Redwood City.

GEO. A. MERRILL, President of the Board of Trustees of the Town of Redwood City.

G. C. PLUMP, Clerk of the Town of Redwood City.

I hereby approve the foregoing ordinance this 8th day of April, 1912.

GEO. A. MERRILL, President of the Board of Trustees of the Town of Redwood City.

Mrs. C. Jensen is again prepared to do dressmaking. Price reasonable, satisfaction guaranteed. 3-25

For Sale—At a bargain: complete set of blacksmith and wood workers tools. Inquire at this office. 3-22

ORDINANCE No. 114.

Granting to the Southern Pacific Railroad Company, a railroad corporation, and to its successors and assigns, the right, privilege and franchise, for the term of fifty years, to construct, maintain, and operate railroad tracks upon that certain strip of land in the Town of Redwood City, County of San Mateo, State of California, adjoining the northerly line of the permanent way of said company, said strip having a uniform width of fifteen feet and extending from the center line of Pine Street to the easterly limits of the Town of Redwood City; and upon that certain strip of land in said town adjoining the southerly line of the permanent way of said company, said strip having a uniform width of fifteen feet and extending from the center line of Pine Street to the easterly limits of the Town of Redwood City; and upon that certain strip of land in said town adjoining the southerly line of the permanent way of said company, said strip having a uniform width of twenty feet and extending from the center line of Willow Street (formerly Fourth Street) to the center line of Main Street.

Whereas the Southern Pacific Railroad Company, a railroad corporation, is the owner of certain permanent way in said Town of Redwood City, upon which said railroad has been constructed, and is being operated, when permanent way between the westerly line of Main Street and the easterly line of Pine Street, and the center line of Redwood Creek is forty feet in width, and between the center line of Pine Street and the easterly line of Willow Street is eighty feet wide, and between the center line of Pine Street and the center line of Willow Street is fifty feet wide and between the center line of Willow Street and the easterly limits of said town is seventy-five feet wide; and

Whereas the Town of Redwood City is the owner of a strip of land of the uniform width of fifteen feet adjoining the northerly line of said permanent way of said company, between the center line of Pine Street and the easterly limits of said town, and is the owner of a strip of land of the uniform width of fifteen feet adjoining the southerly line of said permanent way of said company, between the center line of Pine Street and the center line of Willow Street; and said town is also the owner of a strip of land of the uniform width of twenty feet adjoining the northerly line of said permanent way of said company, between the westerly line of Willow Street (formerly Fourth Street) and the center line of Main Street; and

Whereas said Southern Pacific Railroad Company for itself and its successors and assigns has made application to the Board of Trustees of the Town of Redwood City for a franchise to construct, maintain and operate railroad tracks upon said strips of land belonging to said Town of Redwood City as aforesaid, adjacent to said permanent way of said company, and therefore

The Board of Trustees of the Town of Redwood City do hereby grant to the Southern Pacific Railroad Company, a railroad corporation, and to its successors and assigns, the right, privilege and franchise, for the term of fifty years, to construct, maintain, and operate railroad tracks upon that certain strip of land in the Town of Redwood City, adjoining the northerly line of the permanent way of said company, said strip having a uniform width of fifteen feet and extending from the center line of Pine Street to the easterly limits of the Town of Redwood City; and upon that certain strip of land in said town adjoining the southerly line of the permanent way of said company, said strip having a uniform width of fifteen feet and extending from the center line of Pine Street to the center line of Willow Street; and upon that certain strip of land in said town adjoining the southerly line of the permanent way of said company, said strip having a uniform width of twenty feet and extending from the center line of Willow Street (formerly Fourth Street) to the center line of Main Street.

Section 2. This franchise is granted upon the following conditions, to-wit:

1. Said Southern Pacific Railroad Company shall permit the Town of Redwood City and the inhabitants thereof using jointly with said Company the northerly 18 1/2 feet of eighty feet as described, extending from the westerly line of Willow Street (formerly Fourth Street) to the easterly limits of the Town of Redwood City, and the inhabitants thereof shall be for street purposes only. Also the southerly six feet of said width of eighty feet as described, extending from the northerly line of Willow Street to the easterly limits of said town, shall be for street purposes only. All tracks laid by said company on said strip of land so to be used jointly, shall be laid and maintained flush with the surface thereof.

2. Said Southern Pacific Railroad Company shall grade, macadamize and keep macadamized said northerly 18 1/2 feet strip as described, in the preceding paragraph. Such strip to be graded macadamized and kept macadamized between the westerly line of Willow Street (formerly Fourth Street) and the easterly limits of said Town of Redwood City.

3. Said rights, privileges and franchises are hereby granted to the Southern Pacific Railroad Company upon the condition that the said Southern Pacific Railroad Company shall within ten days after the publication of this Ordinance file with said Town of Redwood City its acceptance in writing of the terms and conditions thereof and in the event of the failure of said Southern Pacific Railroad Company to file its written acceptance of the terms and conditions of this Ordinance as aforesaid the same and all the rights, privileges and franchises hereby granted shall thereupon become null and void and of no further force or effect.

Section 4. This Ordinance shall be published once in the Times-Gazette, a weekly newspaper published, printed and circulated in the Town of Redwood City, California.

Introduced April 12, 1912.

Passed and adopted as an ordinance of the Town of Redwood City by the Board of Trustees of said Town at a regular adjourned meeting of said Board held on the 8th day of April, 1912, by the following vote:

Ayes and in favor of the passage of said ordinance, Trustees—Becker, Brown, Hyndman, Merrill, Noes, and against the passage of said Ordinance—Trustees—None.

Present of the Board of Trustees of the Town of Redwood City.

GEO. A. MERRILL, President of the Board of Trustees of the Town of Redwood City.

G. C. PLUMP, Clerk of the Town of Redwood City.

I hereby approve the foregoing Ordinance this 8th day of April, 1912.

GEO. A. MERRILL, President of the Board of Trustees of the Town of Redwood City.

MENLO PARK NEWS IN BRIEF MENTION

Interesting Paragraphs of Personal News Gathered About Town.

Andre Sheriff Klevesahl of San Francisco has leased Mrs. Loveland's cottage for the summer and moved his family down from the city on Wednesday.

Fred Sharon has commenced the construction of five miles of macadamized road on his estate and has engaged all the teams and men in town for the work.

Mrs. James Logan has leased the Nunn cottage on the county road and the present occupant, Martin McCarthy has rented the residence on Oak Grove avenue.

John MacLain has been awarded a contract to erect a temporary club house for the Boreford Country Club at Boreford for \$7000. The members of the club are very wealthy and intend to erect some very large buildings.

The rescue of Washington Dodge family from the steamer Titanic is glad news to their numerous friends here. Mr. Dodge occupied the Stollard home here in 1911 and resided at Fair Oaks last year. He is preparing to erect a fine home in the Dexter tract.

The George Pope property near the Fair Oaks depot and fronting on Fair Oaks Lane has been placed on the market for sale by the University Realty Company. This without doubt the finest piece of realty offered for sale in the peninsula. It is said the price is to be \$4000 an acre.

Arthur Midgley graduated from the automobile department of Head's Business College in San Francisco last week and was immediately employed in one of the big garages of the city. After receiving some practical knowledge there he will run E. L. Eyre's big car for the summer. Young Midgley is an expert mechanic.

A brother of Mrs. Patrick Kearney was to have sailed from Liverpool on the ill-fated steamer Titanic but at the last moment was told there was no more room and sailed on the next outgoing steamer for New York and will arrive here shortly. Mrs. Kearney, however, had a lady friend on the Titanic who is mentioned among the survivors in the newspaper reports.

A native daughter of this place applied to Registrar Daley to be registered last Saturday and discovered that she was not eligible. Her husband being a foreigner. She became very indignant and justly so, and vowed that she would begin divorce proceedings at once unless her spouse agreed to declare his intentions of becoming a citizen. Her family was among the earliest settlers of the state.

The Taft Club held an enthusiastic meeting Thursday evening. Several new members joined the club. A committee was appointed consisting of Samuel M. Shortridge, D. E. O'Keefe and John MacLain to select speakers for a grand rally to be held on Saturday evening, April 27th. A sample ballot to be voted at the presidential primaries in May was in evidence and the ladies present were instructed how to prepare same for the election. A rousing meeting will be again held on next Tuesday.

The Jerry Clark ranch consisting of about 800 acres of land near Redwood was sold this week to Peter Faber of Woodside. The purchase price paid was \$123,750. The property consists of 500 acres of choice bottom land and about 300 acres marsh land. It was acquired a great many years ago by the late Jerry Clark, the noted land lawyer of early days. Mr. Faber in swinging this big deal shows what perseverance backed up by sufficient confidence can do. He bought the Martinez ranch at Woodside about a dozen years ago for a small sum mortgaging the property for nearly the purchase price. He had confidence in that locality and today he is selling portions of it for ten times the original price and from the money thus realized he is enabled to make the big purchase of Ravenswood property.

Superior Court Orders.

Albert Larsen vs. George Larsen. Demurrer dropped.

P. P. Chasmerlain vs. A. S. Whitney. Demurrer continued to June 20th.

P. J. Millett vs. United. Railroads. Motion to set cause for trial dropped.

Geo. O. Rich vs. C. B. Smith, et al. Further trial continued to May 16th.

East San Mateo Land Co. vs. Southern Pacific Railroad Co. Motion to set cause for trial continued to April 25th.

Petition of First Congregational church of Burlingame to sell real estate granted.

Reclamation District No. 543 vs. Minnie S. Chandon et al. Motion for a new trial submitted.

Louis S. Beedy vs. San Mateo Hotel Co. Bill of exception dropped.

Sarah E. Peterson vs. Alexander Peterson. Matter submitted.

L. Woodward vs. Glenwood Lumber Co. Motion to set cause for trial set for May 27th.

Lena M. Meyer vs. Clara W. Eifling. Decree quieting title granted.

Station Agent Promoted. E. D. Rockwell, the local station agent here for the past two months, has received a substantial promotion. He has been made the agent at Third and TOWNSEND streets in San Francisco. He has been succeeded here by R. C. Jones of Watsonville. Mr. Rockwell was formerly the agent at Hollister. He is a clever railroad man and it was through his ability and not his seniority that he secured the coveted position. Mr. Rockwell during his short stay here made many friends by his courtesy and uniform treatment of the patrons of the railroad company.

Wife Escapes Responsibility.

Judge Buck yesterday rendered a judgment in favor of the plaintiff in the case of E. S. Moulton against William F. Couter and others for \$526.95, amount due on a promissory note. Mrs. Couter who signed the note with her husband is eliminated from the judgment, the court holding the instrument to be a demand note and consequently there was no consideration as far as Mrs. Couter was concerned.

Jane Nangle Defies Her Father

That "Love will find a way" has again been proven true. Jane Nangle, one of Redwood's popular girls, and the daughter of Richard Nangle, has trouble demonstrating to her father that George Langston, who loves her, is the proper suitor. Before the words are said, Nangle finds out and goes into a passion. However, the proper persuasion from Miss Nangle causes him to intimate if he'll be married properly that he'll be in at the ceremony, though he'll never give his consent to the match. Come to the senior play next Saturday night, April 27th, at the Alhambra. Admission 35 cents.

Building and Loan Association.

At the last meeting of the directors of this association, Series No. 35 was ordered returned and paid, aggregating the sum of \$3000 and loans were made amounting to \$5000. A large number of shares have been subscribed for in the last series, No. 78, and same will be closed on April 30th.

OLD CITY COUNCIL CLEANS UP BUSINESS

Telephone Company is Accused of Unjust Increase of Local Tariffs

The final session of the old city council last Monday night was a busy one, several matters of minor importance coming up for settlement. All of the trustees were in their seats, while the lobby was occupied by an unusually large number of spectators.

Reports of the various city officers for the month were presented and after careful consideration were ordered filed for future information. According to the report of Marshal Coleman the collections of his office for the month amounted to \$4697.95. Of this amount \$2,500 was for saloon licenses and \$991.20 for taxes.

Treasurer Towne reported the condition of the several funds to be as follows: General fund, overdrawn \$3713.93; Library fund, balance, \$1043.43; Water fund, \$1566.03.

Poundmaster Shine reported that during the month he had impounded 13 horses, 2 cows and 6 goats, off of which had been redeemed. He had also disposed of 11 dogs.

Complaints against the amount of bills rendered them for water for the past month were presented by E. Anderson of the Del Monte Hotel and Martin Kuck of the Germania hall building, each of whom claimed that the bills far exceeded the average amounts. In both cases tests were ordered made of the meters and the suggestion was made that one of the meters that might well claim the attention of the incoming council was the preparation of an ordinance governing water rates. Chairman Merrill suggested that as a matter of justice to large consumers a sliding scale of rates should be adopted.

A communication was presented from the County Development Association notifying the council that the term of its representative on the official board had expired. D. R. Stafford who has been the representative for the past year, expressed a desire to be relieved of the duty. Several nominations were made, but as no one seemed desirous of accepting the duties, the choice of a delegate was referred to the new council.

The question of municipal control of telephone charges was brought up by a communication from Geo. W. Lovie, asking that an increase recently made in the charges for the use of a phone in his office be investigated. This precipitated a general discussion between the trustees and the representative of the Telephone Company. While the representative of the telephone insisted that the rate complained of was that fixed by the new Public Utilities Commission, Chairman Merrill insisted that the power to control local rates was solely within the jurisdiction of the council. That an opportunity be allowed for investigation, it was ordered, on motion of Trustee Hynding that the question of determining the justness of the rates and the authority for their regulation be referred to the finance committee and that in the mean time the Telephone Company be requested to refrain from any increase of rates at which subscribers had been served.

E. F. Fitzpatrick filed an acceptance of the franchise recently granted to him for a street railway system.

Representing the 17th district improvement club, Attorney Archer Kincaid urged that the council take some action looking to the renewal of efforts for the prosecution of the improvement of streets. In order that there might be no unnecessary delay, Mr. Kincaid suggested that as soon as possible preliminary resolutions declaring the intention of the city to require the work to be adopted. The trustees agreed with Mr. Kincaid that it was important that improvements be made before the advent of another winter, and it was decided that an adjourned meeting of the council should be held on Monday evening, April 29th for the purpose of considering street work. At this meeting the general question of street work will be considered, and it was suggested that there

NEW CITY OFFICERS PREPARE FOR WORK

New Council Organizes With the Relection of Geo. A. Merrill as Its Presiding Officer

Without any showing of "fuss or feathers" the new city administration began its official existence last Monday evening. Evidently considering that they were there for business, rather than for show, the newly elected trustees slipped quietly into their seats ready to take up the work in hand. While the remaining members of the council continued in the places which they had occupied since the completion of the new city hall, Trustee Deleau took the chair vacated by Trustee Beeger, while Trustee Hahir took possession of the chair vacated by Trustee Brown.

Simply requesting the Council to come to order, Clerk Plump proceeded to call the roll of members as follows: Trustees—Geo. A. Deleau, C. J. Hynding, Jos. J. Hahir, George A. Merrill and E. H. Sampson. After each had been recorded as present Clerk Plump announced that the first business to be considered was the election of a chairman. With a brief reference to the very satisfactory service rendered the old council by its presiding officer, Trustee Hynding placed in nomination Trustee Merrill. The nomination received the second of Trustee Sampson, and on a call of the roll, Clerk Plump announced that Mr. Merrill had received the unanimous vote and invited him to take the chair of the presiding officer. In resuming the chair which he had occupied for the past four years, Mr. Merrill briefly renewed his appreciation for the confidence expressed by his colleagues and bespoke a continuance of the harmonious endeavors which he characterized the previous council.

After the oaths of office of the newly elected trustees had been presented and filed, Chairman Merrill announced the following as the standing committees of the council: Public Works—Hynding, Sampson, Deleau. Public Health and Morals—Sampson, Hahir, Hynding. Public Utilities—Hahir, Deleau, Sampson. Finance—Deleau, Hynding, Hahir.

Following the announcement of the committee Chairman Merrill addressed the council at some length, offering a number of pertinent suggestions outlining work demanding attention of the members of the committee and generally reviewing the demands of municipal business, and making several timely suggestions for a more systematic conduct of public affairs.

Addressing particularly the finance committee, Chairman Merrill urged the utmost care in the expenditure of city funds consistent with the demands of public progress. To his mind, the only possible issue raised in the recent city campaign was the question of financial management. It did not question the sincerity of any of the critics, but regretted that those who had questioned the wisdom of their representatives had not taken more opportunity to familiarize themselves with the work done and its financial demands. While all might not agree as to the methods pursued, none could well question that value had been received for every dollar expended. That there was a present deficiency in the general fund of the city there could be no question, but an examination of the records disclosed the fact that urgent demands required extraordinary expenditures, while at the same time, from lack of suitable business accommodations, the work of the city had been conducted at a disadvantage. While the object of securing systematic and economical management of the business of the city, a number of suggestions were offered for the consideration of the finance committee. First of these was the introduction of a system of requisitions in the purchase of all supplies. While this had been a difficult matter in the past, with a clerk on hand to take daily at the city hall the system should be easy of operation. No supplies of any nature should be purchased, nor should any improvements be undertaken, either by officials or employees, until the cost had first been ascertained. The committee should keep a strict watch of the salaries of employees and if they are found to be exorbitant reductions should be made, while a full return in service should be required. To this end he would recommend the establishment of an eligible list from which all temporary employees should be selected, thus securing an approach to civil service. Attention of the committee was also called to the urgent need of a revision of the ordinance governing the water department, both for the adjustment of rates and the facilitation of collection.

The committee on public utilities was urged to give careful attention should be a full representation of property owners of district 17 and those along the county road. At this meeting some method of improving the County road will be determined and streets to be macadamized in other portion of the city will be designated.

The vote of the recent bond election was canvassed and the result published at the time of the election.

An unusually long list of claims against the city were audited and ordered paid.

An official canvass of the votes cast at the municipal election was then made and the result declared.

This cleared the calendar of pending business and on motion of Trustee Brown, seconded by Trustee Beeger the council then adjourned sine die and the retiring members surrendered their seats.

At the close of the address of Chairman Merrill, which was given the closest attention, the council proceeded to consider the bonds of the city clerk and treasurer. The bond of P. K. Towne as treasurer with A. L. Walsh, Jas. Crowe, Dr. Ross and L. P. Behrens as sureties in the sum of \$5000 each was approved, as was also the surety bond of Clerk Plump in the amount of \$2000.

James P. Coleman was reelected marshal by a unanimous vote of the council. The motion for the election of Mr. Coleman was made by Trustee Hynding, who spoke highly of the manner in which the officer had been conducted during his administration.

The council then adjourned until Monday evening, April 29th, at which time it is hoped there will be a full attendance of those interested in the question of street improvement.

PLANS FOR NEW HOTEL BUILDING ARE ACCEPTED.

The Redwood City Hotel Company has accepted the plans of Mitchell and Hodges for the new hotel to be erected on the corner of Main and Broadway. The architects are now busily engaged in preparing their final drawings to be submitted to contractors for bids. The estimate cost of the hotel will be \$40,000. It is to be three stories and have all the modern conveniences. There were a great many plans submitted but the directors of the company selected the one of Mitchell and Hodges. Mr. Hodges is the architect who designed the greater portion of the Stanford University buildings. The hotel company recently acquired the site and this week bought a strip of land containing 21 feet to the rear of the Gunning lot from Muller, McGarvey and Flynn for the erection of garages and out buildings for the accommodation of the hotel. Work in the building will begin early in June.

Wanted—In San Mateo county, a comfortable room with small family in quiet location for young lady patient and nurse. Address J. L. Brown, 20 Montgomery street, San Francisco. State location and accommodations.

Several important jobs were also marked out for the committee on public health and morals. First he called for attention to the work which must soon be done on the County road in order that this thoroughfare may correspond with the new State highway which is undoubtedly to be built down the peninsula. That a thorough understanding may be arrived at it was suggested that as soon as possible a conference be held with the interested owners of property. The committee was urged to give immediate attention to the problem of street improvement, which is still regarded as a matter calling for careful deliberation. In determining to undertake the improvement of street intersections at the expense of the general public, the city has made a departure, almost untried in this section. For this purpose bonds have been voted for the doing of specified work and it is the duty of the committee to see that the money is so spent that it will cover the entire work laid out. That this may be accomplished it is essential that care should be exercised in the selection of the class of pavement to be used. The attention of the committee was also called to the needs of the fire department, much of the apparatus of which was declared sadly out of repair and in need of a thorough overhauling, both with a view to utility and appearance. It was also suggested that steps might be taken looking to the improvement of the appearance surrounding the city hall property and that the committee endeavor to induce the trustees of the school district to cooperate by the removal of some of the useless and unsightly buildings on school property facing the city property and the planting of shrubbery in their stead.

For the committee on public health and morals, under whose jurisdiction came the supervision of the fire and police departments, there seemed to the mind of Chairman Merrill less immediate work. At this time, he said, there seems but little need for action with the public morals of the city. Generally speaking the problem of the regulation of the saloon business had been satisfactorily solved by the council and as a rule the saloon keepers of the city had shown a willingness to cooperate in the enforcement of the regulations. He however called attention of the committee to the fact that apparently some reports had been made that there had been violations of the law prohibiting the sale of liquor to habitual drunkards, and urged investigation of these. Complaints had also been made to him that in some cases the holder of licenses were not men fit to be trusted with the conduct of the business, and he urged that if such were proved to be the case that such men should be debarred from the business. Mr. Merrill declared that in his opinion conditions in Redwood City were not such to justify and raising of the question of prohibition at this time. With a community representing all classes of people it seemed best to maintain a good average of moral conditions rather than to go to either extreme.

At the close of the address of Chairman Merrill, which was given the closest attention, the council proceeded to consider the bonds of the city clerk and treasurer. The bond of P. K. Towne as treasurer with A. L. Walsh, Jas. Crowe, Dr. Ross and L. P. Behrens as sureties in the sum of \$5000 each was approved, as was also the surety bond of Clerk Plump in the amount of \$2000.

James P. Coleman was reelected marshal by a unanimous vote of the council. The motion for the election of Mr. Coleman was made by Trustee Hynding, who spoke highly of the manner in which the officer had been conducted during his administration.

The council then adjourned until Monday evening, April 29th, at which time it is hoped there will be a full attendance of those interested in the question of street improvement.

The council then adjourned until Monday evening, April 29th, at which time it is hoped there will be a full attendance of those interested in the question of street improvement.

At the close of the address of Chairman Merrill, which was given the closest attention, the council proceeded to consider the bonds of the city clerk and treasurer. The bond of P. K. Towne as treasurer with A. L. Walsh, Jas. Crowe, Dr. Ross and L. P. Behrens as sureties in the sum of \$5000 each was approved, as was also the surety bond of Clerk Plump in the amount of \$2000.

James P. Coleman was reelected marshal by a unanimous vote of the council. The motion for the election of Mr. Coleman was made by Trustee Hynding, who spoke highly of the manner in which the officer had been conducted during his administration.

PASSING MATTERS OF LOCAL INTEREST

News of Redwood City Boiled Down to Condensed Paragraphs.

Rev. Nailor of Hayward, will preach at both the morning and evening service in the Congregational church tomorrow.

A new stock of ladies' waists received this week at Gabe Einsteins. Redwood City French Laundry. All orders promptly attended to. J. Rynal proprietor. Phone Redwood 223 J.

Miss Gladys Huff, Mrs. Anderson, Mrs. Seeline and Everett Hoff of San Francisco spent the week-end with Mr. and Mrs. Gabe Einstein of this city.

The ladies of the Methodist church will have a sale of home cooked foods in the Fitzpatrick building on Broadway, April 20, for the benefit of the church.

Eleven young ladies of this city attended the "Pink Lady" at the Columbia theatre in San Francisco last Tuesday evening. The party was chaperoned by Mrs. J. F. Johnston.

The May Day carnival that was to have taken place under the auspices of the Woman's Club on May 3d and 4th has been postponed until May 10th. The program is to be published later.

Frank Earl of San Francisco has rented a portion of the Offerman building on Main street and will open a furniture repair shop. He is an expert mechanic and his aim will be to please.

The performances at the Bell theatre next Monday and Tuesday will be for the benefit of the firemen of Hose Company No. 2. There will be a new program for each evening with some new specialties.

Grand Lecturer Thomas J. Baker will hold a Masonic school of instruction in Odd Fellow's hall tomorrow to ascertain the proficiency of the officers of the various lodges in this and Santa Clara county.

Busby's World's Greatest Minstrels please a large audience here last night. They have the best colored show that has been here in a long time, says the Attica Courier. They will be in Redwood City Friday, April 26th.

Rev. A. B. Chinn of Menlo Park will officiate at the morning service Sunday at St. Peter's Episcopal church and will administer the sacrament of Holy Communion.

There will be the usual services in the evening at 8 o'clock with a sermon by Rev. A. W. Darwall. Everybody occasionally likes a darky show, and Busby's Minstrels is one of the best of its kind that has been here in a long time. The darkies are all from Georgia and are good ones.—Blue Rapid Times. They will be in Redwood City next Friday.

Thomas O. Haydenfeldt was chosen Grand King of the grand lodge, Royal Arch Masons, for the State of California at the grand session of the lodge of Masons held at San Diego last Tuesday. This is a stepping stone to grand high priest, the highest office of the lodge in the State.

Harry Brace left during the week for Mendocino county and will be followed in a few days by his family. That county will be their home for several months. Mr. Brace has not been feeling well lately and it is thought that the mountain air will be beneficial to his health.

The owners of the Titus property on Main street are moving the old residence to the rear of the lot and it is to be replaced with a modern one story building to contain four up-to-date stores, all of which are spoken for. As all the tenants will have to shortly move on the Redwood City Hotel Company's old building on the corner

The Yama-Yama masquerade given by the Les Filles Club at Odd Fellow's hall on Saturday night was one of the merriest dances of the season. The hall was prettily decorated with potted palms, while streamers of gold and green pennants festooned the ceiling. Mullet's orchestra furnished delightful music and the dancing was enjoyed by a large number of the younger set.

County Clerk Jos. H. Nash has completed the register of the names of those who are entitled to vote at the presidential primaries. There are 6914 Republicans and 2258 Democrats registered, making a total of 9172. This does not include the Union Labor vote Socialists and others who did not designate their politics. There will be a little over 10,000 names on the register.

Little Dan Cupid has been sleeping on his job and his arrows all week for the county clerk has not issued a marriage license in twelve days. Some will have it that the little fellow has already done enough damage and that a rest will be beneficial. Be this as it may, County Clerk Nash is glad that he is not bothered with applicants for licenses as he is up to his ears in the work of preparing the register for the coming presidential primaries in May.

Roy Woodhams and Christian Uhl enburg have secured employment in the steward's department of the United States transport Thomas that leaves the port of San Francisco on Hong Kong and other oriental ports. Mr. Woodhams graduates from the local high school the first of June and will have a delightful vacation. The return of the transport will be on August 12th. The young men are certain to have a good time and learn much on the voyage.

"All kinds of plants at Los Palmas Greenhouses, cor. Hamilton Ave. and Hale St., Palo Alto. Tel. 176. P. O. Box 453. Send for price list." 1-27-2

Men and boys' suits at Einsteins.

REDWOOD BASEBALL TEAM PLAYS A WINNING GAME.

The opening of the base-ball season Sunday resulted in a 5 to 0 victory for Redwood over the Occidentals of San Francisco. Jackson, the catcher for Redwood is not unknown to the fans, having caught here before and acquitted himself very well. Fox allowed a but two hits during the entire game. Goldensen at first seems to be there. He acquired a couple of nice hits Sunday. Castro at second will be remembered as having captured San Mateo two weeks ago. His ability is not to be doubted. Swin at third showed up very well around third and got everything that came his way in a nice style. Fraso at short will keep things going all the time as he seems full of ginger. In left field we have the old reliable Sam Allain. He has never failed yet and don't look for him to spoil his record this year.

Turner who plays in the center garden is a fast man and a good hitter. Beeger needs no introduction to the fans as she has gained glory in the past, here and at Stanford.

The boys will be out in their new uniforms Sunday and a good game is expected. They will play the Monarchs of Oakland, one of the fastest teams around the bay.

NEWS GATHERED FROM THE COUNTY

Interesting Notes Picked Up By Hustling Reporters in the Country Districts.

The new city trustees of South San Francisco are G. W. Holston, H. Kelly and J. C. McCord. A total of 422 votes were cast at the election, each of the successful candidates receiving a decisive majority.

W. J. Smith was elected clerk and C. L. Kauffman treasurer. Extensive preparations are being made for the Fourth of July celebration at South San Francisco which is to occupy four days, commencing on the first. The committee have secured a number of attractions and are now holding a ballot contest for the selection of a queen of the carnival.

The City of Hillsborough found no difficulty in disposing of its recent issue of \$115,000 in 5 per cent bonds. The entire issue was disposed of to the Mercantile Trust Co. of San Francisco at a premium of \$4.020.

At the annual banquet of San Mateo Lodge of Elks at the Peninsula Hotel the following officers were installed for the coming year: J. P. Duffy exalted ruler; E. Oswald, leading knight; W. G. Shawhan, loyal knight; F. P. Simmons, lecturing knight; J. J. O'Brien, treasurer; G. H. Campbell, secretary; J. S. Hunter, Tyler; H. F. Robb; inner guard; H. H. Waller, chaplain; C. G. Landscheit, equisier; B. Ogden, trustee; Hall C. Hoss, the retiring exalted ruler was presented with a handsome chest of silver.

The successful candidates for city trustee in the recent election at Daly City were Edw. Freyer, A. J. Green, Charles L. Bieble, Silvio Landini and Berton C. Ross. Freyer and Green were members of the old board. George N. Smith was elected city clerk and T. Sheehan treasurer. The effort to change the name of the town to Vista Grande failed at the election.

A. T. Gilcrest, proprietor of the Occidental Hotel at Halfmoon Bay, has purchased an auto bus for the accommodation of his patrons. The new machine is expected next week and will meet trains and convey passengers to the hotel, in addition to being at the service of the guests at all times.

One of the warmest contests in the district school election was in Miramar district. Joe S. Miguel was elected to succeed himself, defeating J. M. Phillips.

Belmont News Notes. Charles Rich is making preparations for the erection of a handsome home on Ralston avenue.

Ed Foster has been confined to his home with a severe attack of la grippe, but is now improving.

J. J. O'Brien, who has been quite ill with pneumonia since his return from Bakersfield, is now convalescent.

E. O'Neil is making a number of improvements about his cottage on Main street.

Master George Perry got his head badly cut at school, accidentally by his school mate Reid Litterfield. The cut was about three inches long.

The dance given in Union hall Saturday night was a success and all had a good time.

Dr. Blackburn, wife and brother and sister-in-law returned to San Francisco Sunday.

Miss Rosebud Baker returned home Sunday after a week's vacation at her home.

The Williamsons went to Halfmoon Bay Sunday on a joy ride. The Congregational church is planning for a play entitled "Mr. Bob."

A. Higgins is here from Halfmoon Bay to work in the mill. All kinds of fish are being caught in the creeks.

The Misses Clara and Emma Steele were in town today. R. E. Steele, the king of Torquay and wife were in town last Saturday.

Geo. H. Steele and wife were in town Monday.

Boosters Hold Banquet. The boosters banquet of the San Mateo County Development Association at the Peninsula hotel at San Mateo Thursday evening was a great success. About 200 guests were seated at the banquet table. George C. Ross of this city was one of the speakers, and discussed the early developments of the district and its future possibilities. He stated that the good fellowship spirit between San Francisco and San Mateo was daily growing more pronounced.

DOINGS ABOUT THE COUNTY OFFICES

Matters of General Interest to Litigants Culled from the Public Records.

Appraisers Appointed. Judge Buck has appointed H. W. Schaberg, inheritance tax appraiser of the estate of Marquard Hansen, deceased.

Judge Buck has appointed R. F. Chilcott inheritance tax appraiser of the estate of Josephine S. Gaylord, deceased.

GALLAGHER-MARSH BUSINESS COLLEGE

1256 MARKET ST. S.F. CAL. RECOMMENDED BY THE EXPERTS SEND FOR LITERATURE

Students desiring lucrative employment in San Francisco should send for pamphlet, read letters of advice from the expert court reporters, also the resolutions adopted by the HOME INDUSTRY LEAGUE OF CALIF. ORNIA (more than 900 business concerns in San Francisco) recommending GALLAGHER-MARSH graduates, and then they will understand why they should attend GALLAGHER-MARSH, the college that has graduated during the last ten years more expert stenographers than all other business colleges in California put together. Mr. Robert P. Gallagher, principal and proprietor of Gallagher-Marsh Business College, is the official reporter of our Superior Court, presided over by Judge Buck, and the young people of San Mateo county will make no mistake by attending his college.

One of the notable achievements of

MINERS' WELFARE

CAUSE OF TAFT

Bureau of Mines Marks Great Step Forward.

SAVES HUNDREDS OF LIVES.

The saving of many lives annually—the lives of miners throughout the United States—will be one of the splendid results that will follow the establishment of the bureau of mines, one of the great achievements in the interest of labor of the administration of President Taft.

The excessive and unnecessary loss of life in the mines of this country was one of the primary causes for the creation of this bureau. For years hundreds of miners were killed in mine disasters, and practically nothing was done to check the terrible loss of life.

Spurred on by President Taft, an act creating the bureau of mines was passed by congress and became effective on July 1, 1910. John A. Holmes of the United States geological survey was appointed as the first director.

The chief experimental station was established at Pittsburgh, where the investigations of the problems entrusted to the bureau have been prosecuted so successfully for nearly two years.

In the year 1907, the most disastrous of all years in the American coal mines, 3,125 miners lost their lives. This represented 4.86 of men killed for every 1,000 employed. In coal mines in Europe less than two miners are killed out of every 1,000 employed. As a result of the work conducted by the bureau of mines and the wise use of an appropriation of \$150,000 made by congress, the death rate has been already reduced to practically one-half what it was in 1907.

Before the bureau of mines was made possible by the interest of President Taft, which was followed by the necessary legislation for its establishment, there was no organized effort in saving the lives of entombed miners. Time and again men have sacrificed their lives in vain attempts to rescue their companions. This unnecessary sacrifice of life has been stopped by the co-operation of the state authorities with the federal rescuers attached to the bureau of mines. An investigation of the fuel resources of the United States is also being made with a view of checking the waste and increasing the efficiency with which fuel is used. This latter phase of the work is a part of the practical conservation policy of the Taft administration.

Still another important work which is conducted under the auspices of the bureau of mines is the rescue of entombed miners. Since the creation of the bureau many hundreds of lives have been saved. At the big mining disaster in Ohio one of the rescue corps of the bureau of mines arrived at the scene thirty-two hours after the disaster. Three men were rescued who had been given up as dead and allowed to remain in the mine. At another time one man was found alive among 150 dead, and today he is the sole survivor of that terrible catastrophe due to the splendid work of the rescue corps.

At the big mining disaster in Ohio one of the rescue corps of the bureau of mines arrived at the scene thirty-two hours after the disaster. Three men were rescued who had been given up as dead and allowed to remain in the mine. At another time one man was found alive among 150 dead, and today he is the sole survivor of that terrible catastrophe due to the splendid work of the rescue corps.

Before the bureau of mines was made possible by the interest of President Taft, which was followed by the necessary legislation for its establishment, there was no organized effort in saving the lives of entombed miners. Time and again men have sacrificed their lives in vain attempts to rescue their companions. This unnecessary sacrifice of life has been stopped by the co-operation of the state authorities with the federal rescuers attached to the bureau of mines. An investigation of the fuel resources of the United States is also being made with a view of checking the waste and increasing the efficiency with which fuel is used. This latter phase of the work is a part of the practical conservation policy of the Taft administration.

Still another important work which is conducted under the auspices of the bureau of mines is the rescue of entombed miners. Since the creation of the bureau many hundreds of lives have been saved. At the big mining disaster in Ohio one of the rescue corps of the bureau of mines arrived at the scene thirty-two hours after the disaster.
